

Valet AutoPilot: Patient Instruction PRACTICE ONBOARDING

Once the campaign is manufacturer-approved, getting a practice onboarded is easy!

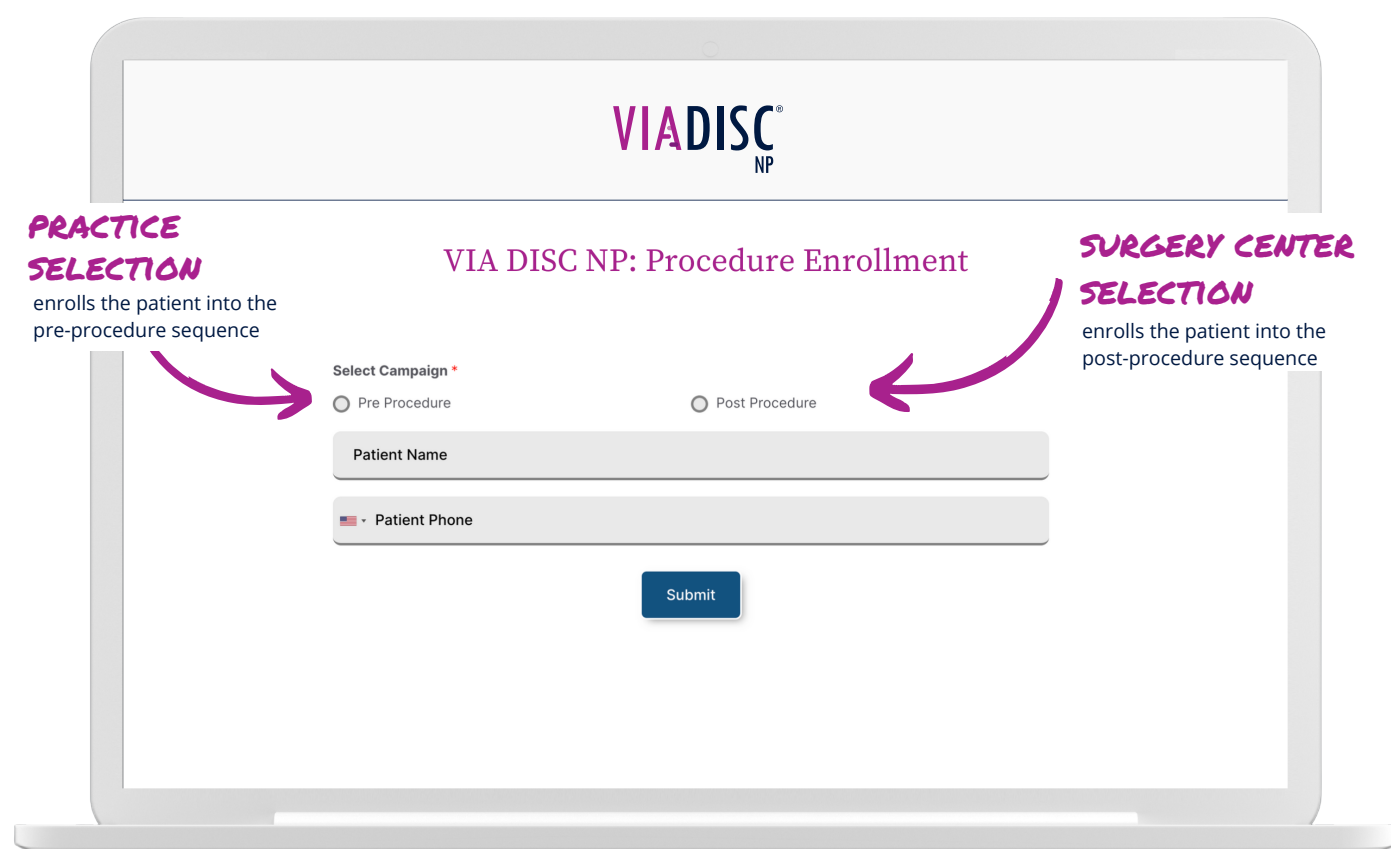

Schedule Onboard Call

- Co-branded landing page, complete with video demo
- Practice schedules their 20 minute onboard call
- Manufacturer is notified when a practice has signed up

The Onboard Call

- Valet Health team will review enrollment page with practice and surgery center administrators
- One link for AutoPilot: Patient Instruction campaign enrollment

Start Enrolling Patients

- Enroll each scheduled patient into the AutoPilot: Patient Instruction campaigns via the dedicated practice enrollment page
- Automatic SMS sequences initiate as soon as patient is enrolled

In preparation for your upcoming procedure, all patients must review these important pre-procedure instruction. Click [Link] to review what to expect.
- Practice Name
